CATEGORIES (select the category you are entering)

- Category 1: Auctioneer in Action** - Pictures of the auctioneer doing what they do best, working that crowd.
- Category 2: Ringman** - Show us your Ringmen getting that extra bid or exciting the crowd as they work.
- Category 3: Auction Crowd** - We want to see the faces of your auction customers; funny faces, smiling faces concentrated faces or whatever you think is interesting when it comes to the auction attendee.
- Category 4: Merchandise for Sale** - Show off the merchandise you sell. Have an intriguing item, great set-up display or just plain "unusual." Show it off and share it with us!
- Category 5: Behind the Scenes** - This includes all of those hard-working cashiers, registration people, clerks, load out crew and basically anyone that works at your auction and helps to make you the success you are. We definitely want to see them at their finest. **None of us could do what we do without them!**
- Category 6: Most Unusual** - This category can include photos of anything and everyone associated with the auction industry. The only requirement is that it is not typical. Make us laugh, make us smile, make us cry or baffle us. If the car caught fire while you were selling it, and you happened to catch it on film, then this is your category!
